THE LONDON STAGE.

Marquis of Lorne Has Written the Libretto of an Opera.

vilson Barrett's Success In His New Play, "The Manxman."

ditan Russell Bids Fair to Win Fresh Laurels.

Copyrighted, 1894, by the Associated Press.) LONDON, Aug. 25.-There has been no relty at the theatres this week, but air is full of busy preparations for September openings.

The Marquis of Lorne has entered the of "librettists" and has prepared book of an opera, to which Mr. nish McCunn has written the music. e subject matter has not yet transed, but the subject doubtless is lept at "rhymerel," having turned the alms into verse, or rather rhymes,

me years ago. Mr. Hamish McCunn is not known as t as a composer of anything more amlous than usually falls to the song-The Marquis is ambitious to we his work performed at a West End atre; but Her Majesty, who is exdingly sensitive to ridicule, has resed permission, coupling the refusal th a partial promise to have it proced at Windsor or Balmoral.

Wilson Barrett produced at his eds Theatre last Wednesday "The xman," an adaptation of his friend Il Caine's new book of the same e. It is an exceedingly powerful y drawn from an exceedingly powerbook-a book the critics have not stated to describe as "one of the very est novels of the century."

"The Mankman" the tragedy has e victims-two men and a woman. e David, in the hands of Mr. Caine, Phillip Christian, the man born success, the man of ideals and ambis the man whose ideals are never beyond his grasp and whose amions fulfil themselves as easily as Barton McGuckin is at Folkestone, leaves unfold in Spring. The Uriah and Mme. Marian McKenzie is at her own, Pete's or Phillip's

What follows is the threadbare theme opera, leitmotifs of "The Scarlet Letof "A Doll's House," of "The Sithe girl, while the man himself is ported in a body in June, 1895. "the herrings," or "away at the ckerel," or abroad on wider voyages. his tour of grand opera throughout illp fights hard against his love; Great Britain and Ireland, te fights hard against hers. So long yalty fights only against love, loyalconquers. Word comes that Pete tra. The company will visit twelve of een killed; passion takes possession the principal cities.

It is not impossible that Henry Irving Phillip: Kate falls. Pete returns and ries Kate, who, like Nora Helmer, es Phillip will somehow work a mirands best man to Pete at the wedg, and from this hour the tragedy extraordinary. to the inevitable.

child is born to Kitty-it is Philip's Philip's care. Pete tries to shield y making out that he has sent her England for her health. And then he es slowly to read in the face of the the dread secret, the features of

Ladies' tailoring is now the twin sister

The man of the world is satisfied to wear a plain homespun three-quarters of the time, provided it is well made and comfortably fitted; but his wife must have the fruit of the loom, skilled work manship and artistic designing.

Nathing is too good for her. Those ex

Nothing is too good for her. quisite fabrics designed expressly for dress-suits, wedding outfits and morning coats-cloths of raven hue, with the matchless finish of hand loom, and the delicate texture of silk crape-cloths for which innocent blood is shed, that are sponged with honest sweat, and pressed with the hand of toll-cloths that importers and manufacturers delight in as much as the virtuoso in his curios, are selected by the sybarites to shop, walk and travel in. Think of putting vicuns and travel in. Think of putting vicuna cloth in a young ladies' jacket and vest! It is enough to move a tailor to tears.

But after all, what are we here for, except to please the ladies? Isn't the woman question the only question in love, in labor, in life?

Although there are no radical changes in ladies' tailoring for the coming Winter, there are seventy models, fresh from the cutters' hands, and each is expressive of an innovation. The skirts have several new wrinkles. They are

An Active Renting Season.

slik, it is her suit to dine out informally. This same idea is carried out in Oxford-mixed, the regular college cloth. The lapels of the coat are slik-faced, then the lapels of the coat are slik-faced, they is a velvet collar, the vest is high or love, and trousering is selected for the

Terminal Facilities That Do Not

(Hy Associated Press.)
CHICAGO, Aug. 25.—The elevator row, settled as most people supposed by the compromise agreement adopted by ballot on the Board of Trade, has broken out again. This time there is a new party n it—the railroads.

There has been filed with three of the

Breat Western system peremptory de mands signed by a dozen of the receiving and shipping firms of the ollard of Trade that terminal facilities for the handling of grain and flax seed be furnished that would not violate as it was claimed, the present grain elevator system did, the plainest and most important provisions of the interstate Commerce law.

The roads upon which notice has been served by the shippers are the Chicago.

Rock Island and Pacific, Illinois Central and the Burlingth.

Rock Island and Pacific, Illinois Central and the Burilington.

The demands are formal preliminaries of a great legal battle between the grain trade and the railroads over that law to which appeal was made by the General Managers' Associaton during the great July strike.
